**Note:** Aux-In does not support a video display function. So, there is “NO SIGNAL DETECTED” displayed if no audio signal input. Press the icon to be back to main menu.
In order to view videos, the parking brake wire must be connected, and the vehicle stopped.

**Handling discs**

- **When holding with both hands**
- **When holding with one hand**

- Do not use damaged (cracked or warped) discs.
- Do not scratch the signal surface or let it get dirty.
- Do not attach paper or seals to discs. The player may be damaged if there is any exposed glue, etc., on discs. For rental discs in particular, extra labels are often attached to the discs. Check carefully for any exposed glue before using such discs.

**Cleaning discs**

- Fingerprints or dust on discs may reduce sound or picture quality. Remove them by gently wiping the disc from the center toward the edges using a soft cloth.
- Do not use benzene, thinner or other volatile chemicals. Do not use record spray or antistatic spray either.
- We recommend using the separately sold cleaning set to clean discs.
- For tough dirt, apply some water to a soft cloth, wring out thoroughly, wipe off the dirt, then wipe the disc with a dry cloth.

**Storing discs**

- Always place discs in their case and store them vertically.
- Avoid storing discs in hot or humid places, places exposed to direct sunlight and places in which the temperature is extremely low.
- Read any cautions included with the discs carefully.

Irregular shaped discs
Irregular shaped discs (heart-shaped discs, hexagonal discs, etc.) cannot be played on this player. Doing so could damage the player. Never use such discs.
